HISTORY OF MAS

Metro Atlanta Seminary was established in 2008 to equip future leaders of churches, ministries and businesses. The seminary is distinctive in that it uses practitioners to mentor students so they can apply what they learn in the classroom in their vocation. It is unique in that it offers an M.Div. with a Workplace Ministry Track.

ACCREDITATION

MAS is accredited by the Association of Reformed Theological Seminaries (ARTS).

MAS has permission by the State of Georgia to grant Bachelor of Theology and Master of Divinity degrees.

TUITION

MAS is a 501c3 organization. Our desire is to make quality education available to all who desire it and are willing to pursue the rigors of the program. Fees average \$400 per term. The total cost for a student is no more than \$1,500 per year. Students normally take 3 years, going one night a week for 32 weeks per year. And they are sad to leave because they have built lifelong friendships with other students and faculty.

Scholarships are available!

MASTER'S IN DIVINITY

This degree plan is also offered as a Bachelor's in Theology to those who do not have an undergraduate degree

MENTORING

Mentoring is the heart of MAS. Each student is carefully and prayerfully assigned a mentor who is “older and wiser” to help him or her grapple with the gospel both on a personal basis and in their calling. Mentors know how to ask the good questions and are dedicated to speaking the truth in love, encouraging the student in life and education.

THE PRACTICUM

Eventually people need to try things in the field and learn by doing. At MAS we take “hands on” seriously and our mentors are equipped to collaborate with students to provide good supervised field education. Activities vary, but they are always centered around the student learning new things about the gospel and his or her heart. Practical activities prepare students like an internship would; to be ready to work upon graduation. Some samples of practical work:

1. Teaching and/or preaching
2. Learning how to connect with people in your workplace
3. Getting to know your neighbors and co-workers on a deeper level
4. Becoming familiar with the workings of the church by interviewing church leaders, and participating in services.
5. Be engaged as a leader in a discipleship group.
6. Starting a group for business leaders.

APPLYING

There really is no time like the present. To apply go to the website and start your application now. MAS has 12 month rolling acceptance. Questions? Contact us and we will be pleased to have coffee, lunch or breakfast to talk more!
